

Did you get any pleasure at Women Deliver?

We have **sex** to feel pleasure, so why is pleasure ignored in the public health world? We are 'pleasure propagandists': we talk about pleasure-based messaging in **sexuality** education & **sexual** rights programs.

Sex and the SDGs: delivering pleasure for protection
+ Launch of Global Mapping of Pleasure

Thursday 19 May, 16:30–18:30

Room B5 M2+4 (in the Bella Center)

Join us for a fun and informal showcase of new resources that map the global community who promote pleasure in the public health world. Session includes a naughty drink.
